I know I don't. Generally speaking, they are too noisy and inefficient to my taste. This means most people would rather use a powered hand-held gadget to do the job in their homes. Luckily, in this increasingly tech-focused world, this isn't the case for everyone. There are a variety of professional-grade vacuum cleaner manufacturers on the market, and Dyson is one of the best known. But what if Dyson released a cleaner that isn't expensive? Would it just be another high-tech gadget that divides people's opinions? Well, the company doesn
