With the Windows 8.1 Technical Preview you can try the Windows 8.1 system and find out how it works and also check for bugs before you buy it. Tech support calls to Microsoft's support desk are resolved by Microsoft employees. They do not hire third-party firms to solve the problems. It is my honest opinion that these support calls are as good as the customer's objective. My opinion is based on my experience as a software author from the mid-'90s through 2007 when I became independent and the year 2013.
