Intel supports both the desktop and laptop versions of Windows® Vista. Intel®s GMA 950 Series Chipset and Graphics Drivers.Comic-Con: Tim Burton Throws Frank Castle Into A Resurrection Pool Image Comics (2012, 94 pages, \$19.99) Tim Burton's Dark Shadows: The Official Movie Novelization Nick Marck, Will Eisner (Based on characters by Charlton Comics) (2012, 296 pages, \$22.99) In the summer of 2008, readers were startled to see a bevy of new comic-book series set in the universe of the legendary Dark Shadows TV series. The new series were all written by Dark Shadows co-creators Dan Green and Ron Marz, and they told a consistent continuity that continued from the '60s PBS series. The new books quickly proved to be very successful with fans, and when Tellos Press announced its plans for bringing all the Dark Shadows stories into print, there was just one problem: They didn't have the rights to do that. In early 2010, Dark Shadows creator Dan Green and Ron Marz announced a fan-fiction project that would create an alternate continuity in the Dark Shadows universe by connecting to an annual ritual in which the characters of the series go through resurrection-style revivals. This ritual, known as the Dark Carnival, has been seen on TV in various incarnations through the years, most notably in the fourth season of the '60s c6a93da74d
